San Antonio was founded on May 1, 1718. Three-hundred years later in celebration of the the rich history and culture of our city, Ranger Creek crafted this unique whiskey series, named the 300 series. Following the original “300” launched in 2020, “305” is the next launch in the beloved series.

Mashed and distilled from the recipe of our unsmoked single malts, this double-distilled spirit was aged in used bourbon casks and later finished in barrels that originally held blackberry brandy. The result is a well-rounded single malt whiskey with hints of fruity green apple, caramelized sugar, and dark berry!
