

.36 TEXAS BOURBON

STRAIGHT BOURBON WHISKEY

.36 Texas Straight Bourbon is our flagship whiskey, handcrafted in small batches, aged in traditional large oak casks and matured under the Texas sun. It's an award-winning sipping bourbon that's also cocktail friendly.

Appearance: Deep Amber.

Nose: Vanilla and brown sugar with hints of new wood.

Taste: Mellow caramel, butterscotch, and light cinnamon.

Finish: Long, lingering sweet notes with a hint of warmth.

RIMFIRE WHISKEY

SINGLE MALT SMOKED WHISKEY

Rimfire is our single malt scotch-style whiskey, aged in our own used bourbon barrels. Smoked with Texas Mesquite instead of peat, it is a lightly smoked, well-balanced sipping whiskey.

Appearance: Light Amber.

Nose: Sweet tropical notes of ripe mango and dried banana with a hint of vanilla.

Taste: Smooth and delicate with a light malty sweetness.

Finish: Soft, balanced and dry with hints of light smoke and roasted chocolate.

.44 RYE WHISKEY

TEXAS RYE WHISKEY

44 Rye is a 100% rye whiskey aged in our used bourbon barrels. The used barrels produce a more spirit-forward whiskey that allows the flavor of the grain to shine.

Appearance: Rich gold.

Nose: Cinnamon, mint, and toffee.

Taste: Strong and compact with notes of clove and tobacco.

Finish: Clean, warming finish with lingering notes of fresh bread crust.

.36 WHITE

MOONSHINE

36 White is an award-winning spirit made with premium ingredients. Texas corn plays a prominent role in the sweet, slightly fruity profile.

It is our white dog, in other words, our bourbon before it's matured in oak barrels. It's completely clear because bourbon picks up 100% of its color from the oak barrel.

.36 White's sweetness makes it an outstanding cocktail mixer. Mixologists and bartenders across the country are using white whiskey in cocktails like Moscow Mules, Bloody Marys and Margaritas as a flavorful alternative to vodka.

Whiskey enthusiasts will enjoy it as a white dog. Try it side by side with our *.36 Bourbon* to see the dramatic difference made by the barrel.
