SKYTROOPER IPA

INDIA PALE ALE	ALC. BY VOL. 6.5%	BRIX 14.75°	IBU 65	SRM 10
----------------	-----------------------------	-----------------------	------------------	------------------

Named after the C-53 *Skytrooper*, a variant of the C-47 Skytrain aircraft flown during WWII, this India Pale Ale (IPA) honors the aviation community in San Antonio both past and present. Known affectionately to troops as the *Gooney Bird*, the C-47 served as the core for soldier and equipment transport in that era. The *Skytrooper IPA* is brewed with Amarillo and Centennial hops giving both the aroma and taste a tropical and citrus character. The taste is clean with a balanced profile from the Marris Otter and German pale malt. A true celebration of hop aroma, flavor, and bitterness!
