

.36 Texas Straight Bourbon is our flagship whiskey, handcrafted in small batches, aged in traditional large oak casks and matured under the Texas sun. It's an award-winning sipping bourbon that's also cocktail friendly.

Each batch follows our grain-to-glass philosophy. Texas corn is milled, sour-mashed, fermented, double-distilled, and aged at our San Antonio Distillery.

It is a bold bourbon with a sweet, smooth body and spicy finish.

Distilled & Bottled in San Antonio, Texas
